

Seven Days Wonder By OXYFEED

DAB FARMERS PVT.LTD

Village - Akoldih khapri , post - Nardaha , Raipur

- Treatment started on 23 March 2023 in a fish pond of approximately 5 acres.
- The fish pond was filled with blue green algae and organic load.
- Pressure pumps were not used to demonstrate the possibility of manual treatment.
- The manual treatment option was showcased for small farmers.
